Introduction about study sets and page info

We are providing here the info about each page on each study set according to our recommending syllabus for World Wide Online Qur'an Hifz Program - WWOQHP. It includes the following kind of information on each page video:

- + The included hifz set
- + Sequence on hifz set
- + Overall sequence
- + The included juzh
- + The first aya
- + The last aya
- + Included surah/s
- + URL to HD videos

Whenever a surah continues more than one page and ends on specific page, this information includes on that "page info" along with HD recitation video link for that surah. It will help the members to see, hear and recite the entire surah along with the reciter without the limitation of page level video.

Info for all 604 pages are grouped into 24 hifz study sets according to our recommending study syllabus. Kindly refer users' handbook to know more about the study syllabus. Get it from <https://www.quran.surf/handbook/>.

- + To get page info for the desired page and you can easily copy its WhatsApp friendly text from: <https://www.quran.surf/page-info/>

Page information will vary if the group following other than our recommended syllabus for WWOQH program.

“Page info” will show additional useful information about study sets on starting and ending page on every study set.
